

3.4.3. Extension/Outreach Programmes (2020-2021)

1. Makkalkoppam Manas

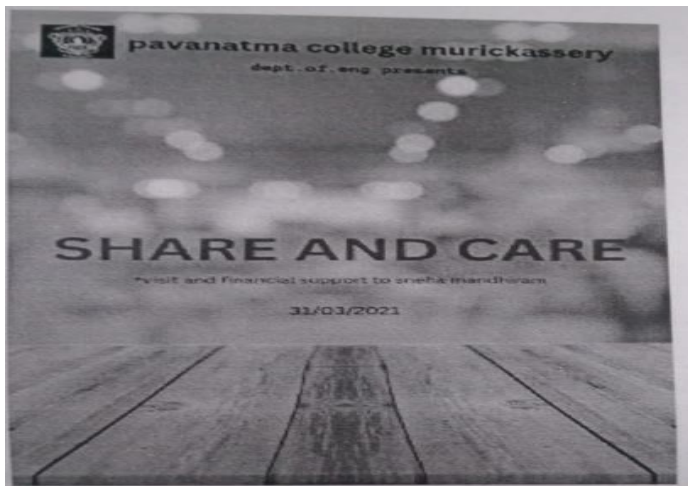

The "Makkalkoppam Manas" Awareness Program, jointly organized by the Department of Commerce and Women Cell on August 27, 2020. Primarily focused on raising awareness about the challenges faced by girl children, the program sought to underscore the importance of their education and overall well-being. Through a blend of informative sessions, engaging discussions, and interactive activities, "Makkalkoppam Manas" emerged as a pivotal effort in creating an informed and compassionate community. The program aimed to dismantle stereotypes, promote inclusivity within families, and contribute to the broader goal of building a society where every child, regardless of gender or sexual orientation, is nurtured and supported.
