ACTIVITY REPORT for NET COACHING

Program Objectives

1 Master Exam Pattern: Understand the exam pattern thoroughly. Know the number of papers, types of questions, and time constraints for each paper. This will help you manage your time effectively during the exam. 2. Regular Study Routine: Establish a disciplined study routine. Consistency in your preparation is crucial for success. 3. Effective Time Management: Learn to manage your time efficiently, both during preparation and in the actual exam. Allocate time to each section and practice time-bound mock tests. 4. Strong Fundamentals: Ensure a strong foundation in your subject(s). This will help you answer complex questions confidently.

ACTIVITY REPORT for PSC - COACHING, CAREER GUIDANCE CELL

Program Objectives

1.To enhance the knowledge, skills, and abilities of the participants. It aims to provide them with a comprehensive understanding of the subjects and topics covered in the exam syllabus. 2.Competitive exam training provides ample opportunities for practice through regular tests and mock exams. These help candidates gauge their progress, identify areas of improvement, and build their exam-taking strategy. 3.Competitive exams can be stressful, and the training aims to equip candidates with stress management techniques. It helps them stay focused, calm, and composed during the preparation and on the day of the exam.
