

## **2021-2022**

During the academic year 2021-2022, Grievance Redressal Cell meetings were held regularly and grievances and suggestions of students were redressed. Following are the important activities of the cell for the academic year 2021-2022.

- It has been decided to update the online portal for the children to conveniently convey their complaints and suggestions to the cell and the portal has been updated.
- As per the suggestion of the students, the application form for submitting academic grievances related to internal marks has been made available on the college website and college store.
