

2022-2023

The grievance redressal cell has been able to function very well in the academic year 2022-2023. The members of the grievance redressal cell hold regular meetings and redress the grievances of the students. Following are the important activities of the cell for the academic year 2022-2023.

- In the academic year 2022-2023, the cell received 103 academic grievances related to internal marks. The cell was able to resolve all complaints accurately at the departmental level.
- According to the complaint of the students that the fans of the first year economics class were not working, the said complaint was brought to the attention of the management and the complaint of the students was redressed.
